

REMARKS

Applicant has submitted and paid for a Request for Continued Examination, enclosed.
Applicant has submitted a Change of Correspondence Address, mailed separately to address indicated.

By the above amendment, Applicant has amended the title to emphasize the novelty of the invention. Title changes in the specification are made where appropriate. The Abstract is amended.

Applicant has canceled all claims of record and substituted claim 8 to define the invention more particularly and distinctly.

Very respectfully,

Warren Wojcik
Applicant Pro Se
